Hawai"i & Indo-Pacific
Market Intelligence
SDVOSB | SBA Certified

Veteran owned and Hawai‘i based, TPG develops opportunities and creates value to help individuals and organizations grow across commercial, government, institutional, and community markets.

TPG provides products, services, expertise, and resources across capital, technology, workforce, and intelligence; from individual requirements to complex, integrated efforts.

Selected Experience & Performance

- **Statewide Workforce Intelligence, Modernization & Evaluation**
  Supporting a federally funded Hawai‘i workforce initiative through market intelligence, stakeholder engagement, program evaluation, data collection, performance measurement, and outcome analysis.
- **Federal Capture & HACS**
  Supported an 8(a) federal contractor with capture strategy, proposal development, technical solutioning, and GSA HACS development.
- **Defense C5ISR & Systems Integration**
  Supported strategic advisory, C5ISR systems integration, operational planning, and execution on a $1B+ defense program.
- **Growth Ventures | Commercial & Nonprofit**
  Developed a commercial growth plan supporting a proposed ~$6M capital requirement; structured a 12-month performance-based nonprofit growth initiative spanning operations, technology, fulfillment, vendors, events, marketing, and new revenue.
- **Digital Modernization | Commercial & Regulated Industries**
  Developed modernization solutions for commercial and regulated businesses spanning payment processing, cloud architecture, managed services, technology and communications upgrades, business operations, and customer growth.
